

UC Irvine

Procurement Services

Supplier Showcase
Bren Events Center
September 17, 2026

Welcome to the 2026 Supplier Showcase!

Thank You to Our Suppliers

We extend our deepest appreciation to all the suppliers participating in this year's Supplier Showcase. Your partnership strengthens UC Irvine's mission by providing the products, services, and expertise that help our campus thrive.

About Procurement Services

UC Irvine Procurement Services is committed to building meaningful relationships with our suppliers while ensuring responsible stewardship of university resources. Our team works every day to connect campus departments with innovative solutions, streamlined processes, and suppliers who share our values of collaboration, service, and continuous improvement.

Supporting Small Businesses

We believe in the power of small businesses to drive innovation, create local impact, and expand opportunity. UCI is proud to prioritize working with certified small and diverse businesses, and we are on track to meet and exceed our goal of 25% small business spend. By partnering with these suppliers, departments across campus contribute directly to advancing equity and economic growth.

Fully Onboarded & Ready to Support You

Every supplier in this brochure has been fully onboarded into PaymentWorks, making it easier than ever for departments to source from them. In addition, all certified small businesses featured here are listed on our [Certified Small Business Directory](#), ensuring you can find and engage them quickly for your purchasing needs.

UCI
&
UCI
Health

Your rooms were built for a way of teaching that has already changed.

Enrollment shifts, course formats change, and the furniture was specified twenty years ago. Most campuses are still teaching today's students in yesterday's rooms, on a fixed budget and in a single summer.

One partner, first sketch to final chair

01 PLAN

Layouts designed around how the course actually runs.

02 FURNISH

Pieces that reconfigure instead of getting replaced.

03 INSTALL

Delivered and built on your academic calendar.

Gale Supply Co. JANITORIAL

ALREADY WORKING TOGETHER

You already know one of us. Here is the rest of the bench.

People notice a workplace that works. Chairs that fit them, a breakroom that is stocked on Monday, restrooms and floors that look cared for. That is not decoration. It is the difference between a place people tolerate and a place they want to be.

Three companies sit behind one account team. Office Solutions for supplies, breakroom, print and technology, bluespace interiors for design and contract furniture, Gale Supply Co. for janitorial and sanitation. Design, project management, delivery, install and Day 2 service all stay in house, run by local people who know your sites.

Add a line, keep the same contact

- + Office products and everyday supplies
- + Breakroom, coffee and water service
- + Facility and maintenance supplies
- + Printing and promotional items
- + Furniture, space planning and install
- + Janitorial and sanitation programs
- + Technology, print and paper supplies
- + Green and sustainable alternatives

syntechbuilding.com

WATERTIGHT BUILDING ENVELOPES & PARKING GARAGES

Roofing • Waterproofing • Sealants • Coatings

At Syntech we treat the entire building envelope as one integrated system. Windows, joints, roofs, concrete and coatings work together. Our field veterans bring 30–40 years of hands-on experience to every university, municipal and commercial project across Southern California.

WHY PARTNER WITH SYNTECH

- **Campus-Proven Track Record**
CSU San Bernardino, LA City College and multiple City Halls.
- **Veteran Field Leadership**
Foremen with 30–40 years of waterproofing experience on complex buildings.
- **True Systems Thinking**
We diagnose root causes across the entire envelope — not isolated symptoms.
- **Direct Ownership Access**
Husband & wife owned. You deal with decision-makers, not layers of management.
- **Local SoCal Presence**
Based in Riverside. Fast response and deep knowledge of regional conditions.

CORE CAPABILITIES

Sealant & Coatings

Window & joint reseal • Envelope restoration • Wall & traffic coatings • Leak diagnostics

Roof Systems

Full coatings & patching • Infrared leak detection • Moisture scans • Annual maintenance

Concrete & Masonry

Crack & spall repair • Repointing & facade work • Stucco waterproofing • High-performance mortar

Specialty Waterproofing

Below-grade systems • Expansion joint repair • Urethane crack injection • Negative-side coatings

**ROOFING
WATERPROOFING
SEALANTS
COATINGS
EXPANSION JOINTS
INJECTION**

We make *amazing* spaces.

Creating curated destinations that empower
people to work, learn + heal.

WE MAKE HEALTHCARE RUN BETTER™

GO with the FLOW:

The ultimate guide to ultrafiltration

Protect your sample, don't lose it!

Use these **4 tips** to maximize your sample recovery when performing ultrafiltration with Amicon® Ultra devices.

1

Choose the right membrane

For regenerated cellulose membrane, choose MWCO that is half the size of your target molecule

2

Place device in correct position

Place the device into the centrifuge with one membrane panel parallel with the top of the centrifuge, and the other membrane towards the center of the centrifuge. The panels should not be perpendicular the outer edge of the centrifuge.

3

Consider sample sensitivity

Use refrigerated centrifuge for temperature sensitive samples

4

Prevent build-up of protein

Pipette the sample up and down to prevent protein polarization, which can lead to blocked concentration

To maximize recovery,
choose the right Amicon®
Ultra for your workflow here!

EXPERT PRINTING IS JUST THE START.

Westamerica, Your Favorite Printer

Already a Trusted Vendor

We're already in your system - making it easy to tackle projects quickly and keep things moving without a hitch.

Years of UCI Expertise

From brochures to banners and every detail in between, we know your projects like the back of our hand - and how to make each one shine bright.

Go-to Source

Magazines, marketing materials, posters, pole banners, indoor & outdoor signage, retractable banners, event graphics, mailers, packaging, acceptance kits, promo items and more - we're your one-stop shop for print perfection. We can even help with creative & design.

Obsessed About The Details

From brilliant print quality to properly labeled boxes - we make sure every piece lands exactly where it's meant to, beautifully packed and on point.
